FACULTY

Humaneness Is the Watch Word; Activity Is The Means To A Vital School System

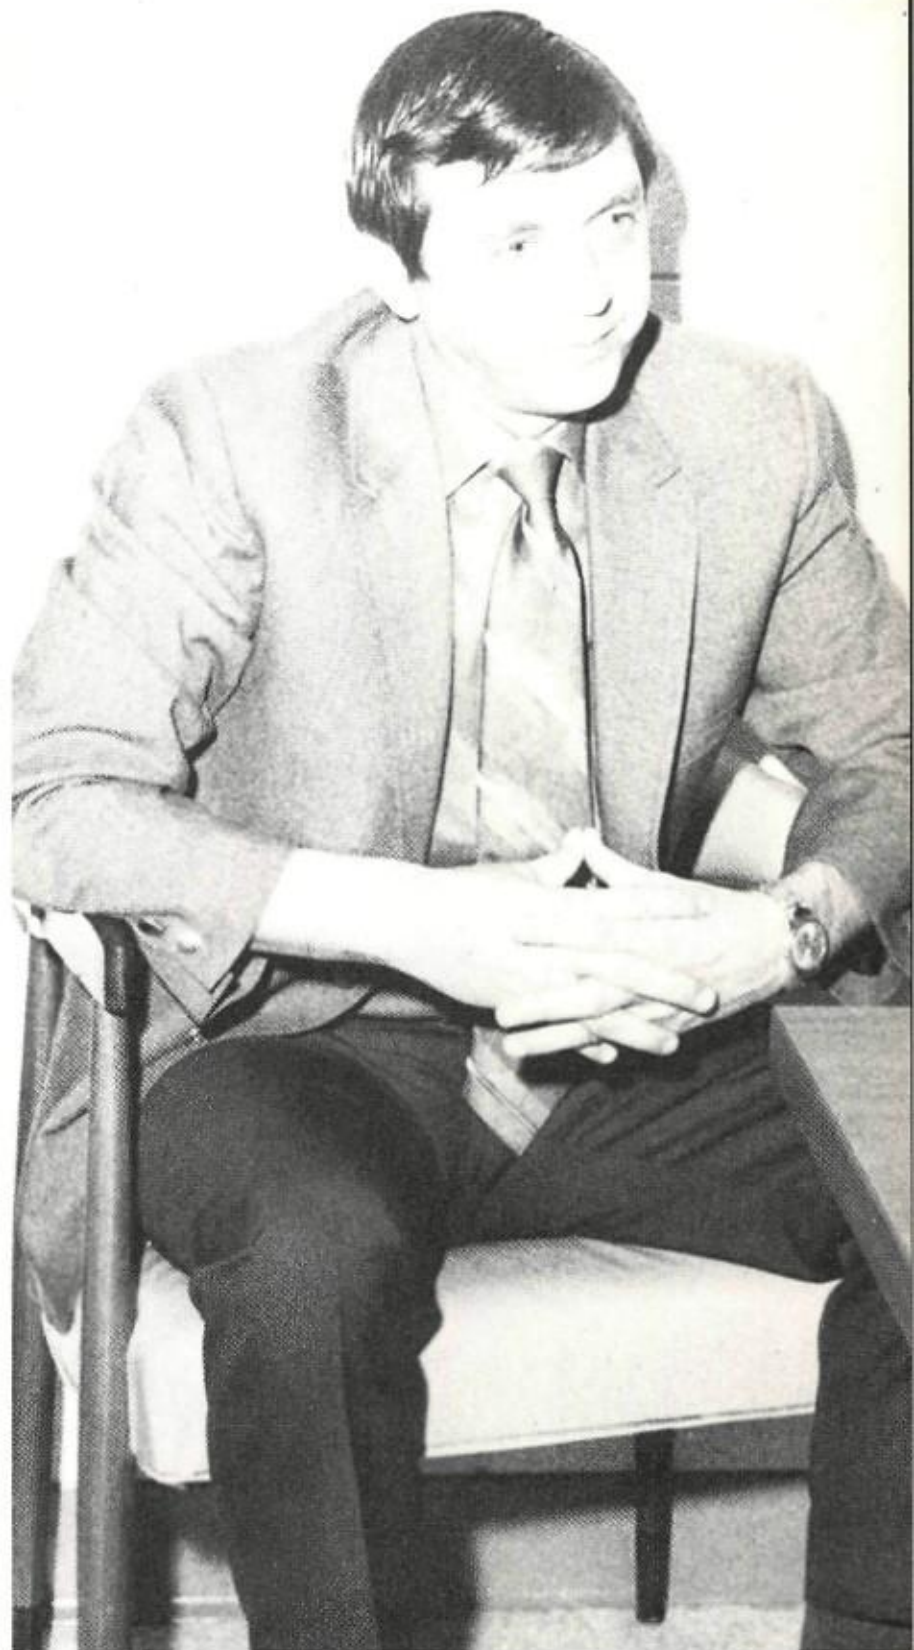

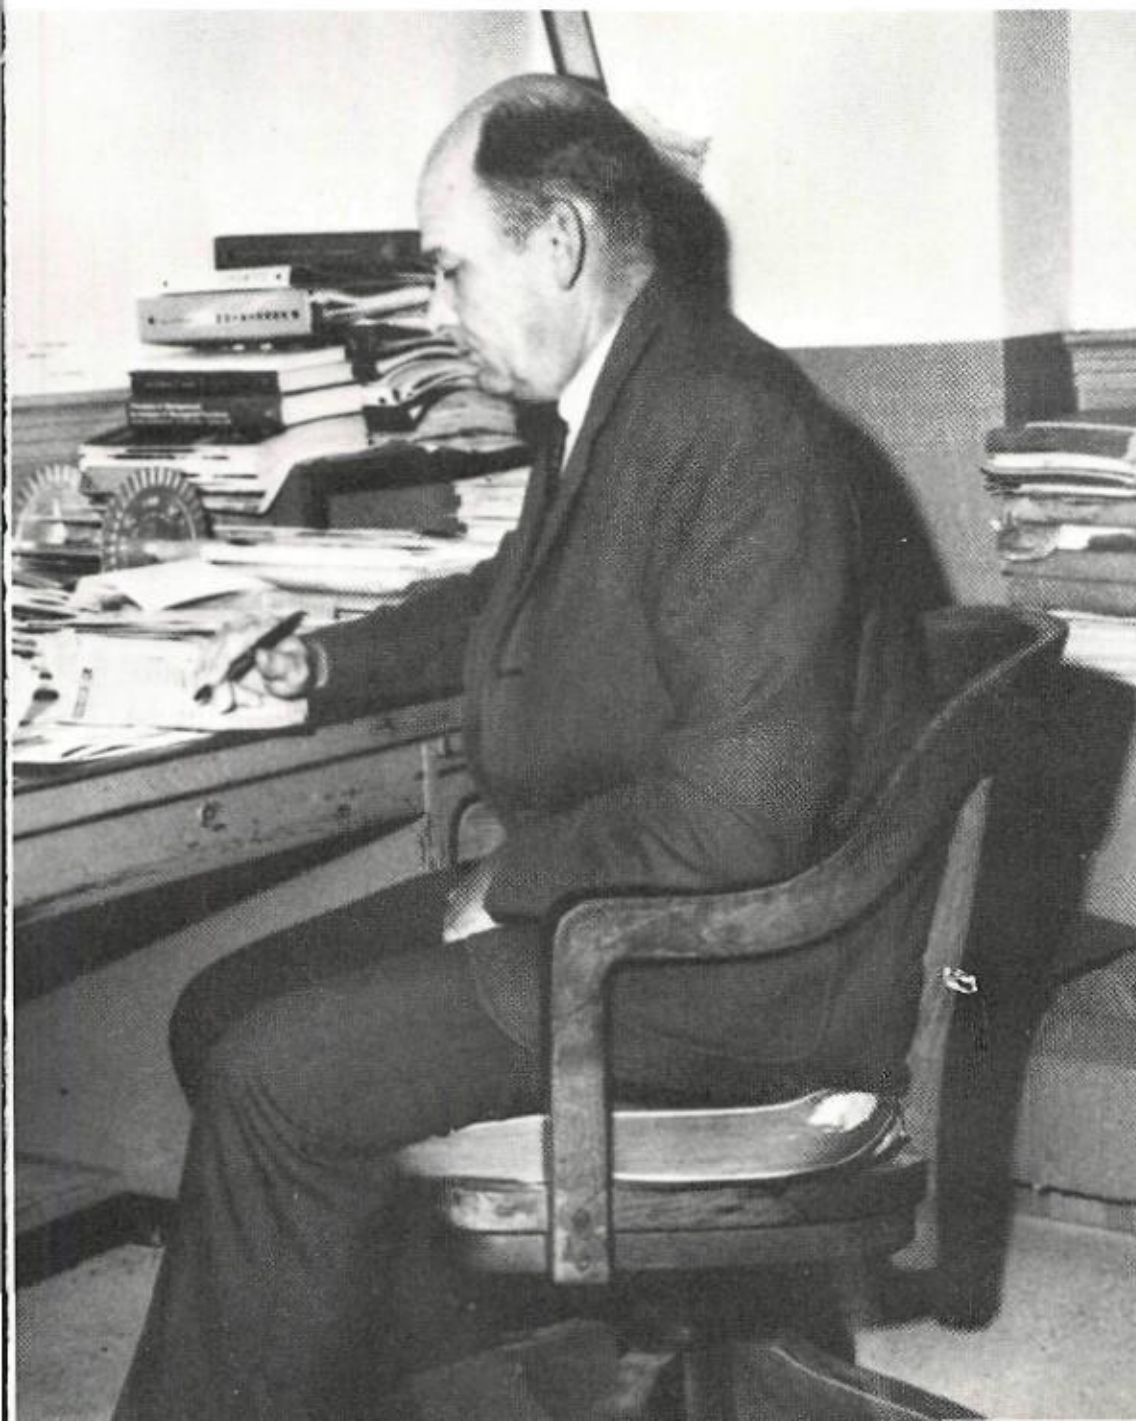

Miss Irene Brown, Seated; Mrs. Judy Zeigler; Mrs. Barbara Milhous, Miss Susan Brown (right) are never as inactive as they appear in this picture.

Board Rooms always lend an attitude of austerity to whoever is pictured around their heavy, paper-covered tables. County Board of Education members and the Superintendent who guides them have proven themselves more able and humane than their pictured countenance here suggests. They are L to R: Mr. L. M. Tomlinson, Mr. Jerome Webb, Supt.; A. B. (Sonny) Martin, Mr. Bland, Dr. Richard Winston, and Mr. George Moulton, Chairman.

Mr. James Goolsby (left), curriculum director, explains quarter system plans. Mrs. Ann McDonald (center), serves as Lowndes County Lunchroom Supervisor. Mr. John Vance (bottom), school psychologist, ponders on student problems. Mr. Jesse Griffin (bottom left), purchasing agent, searches for bargains.

The Pulse Beats; The Office Functions

Mr. Wall (right), Principal, talks to students on the inter-communication system. Mr. Adams (below), Assistant Principal makes a note on his calendar to remind him of an important meeting. Mrs. Cothron, school secretary, works on the school's financial records.

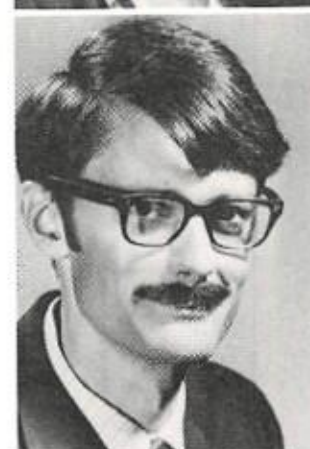

A smile, a pleasant word makes the solutions to problems easier to come by. Miss Janet Dickey (left), holds the telephone while a messenger hurries down the hall. Mrs. Wilma Rich (below), works behind her ever present stack of student permanent records. Mr. Williams (bottom), expresses surprise as Mrs. Collins and he confer.

THE ROAD GOODBYE

The road I took was named Goodbye
The path looked strange. I wondered why
It left familiar things behind.
A hand caught mine ... I paid no mind.
The stranger never once did say
Just what had brought him on my way.
On we went, and some afraid
I wished I hadn't come, but stayed
All the friends that I once knew
Took a road named Goodbye too.
There were no two roads just the same
Though all were called Goodbye by name.
The road went on; we went on too,
And I was sad, for then I knew
That never could I be the same
Having walked down Goodbye Lane.
And though I couldn't understand
We walked together hand in hand.
We said no words, but just walked on,
I thought of things now past and gone.
I thought of games I'd lost and won,
I thought of all the things I'd done,
I thought of those I loved and cared,
Of times we'd had, of things we'd shared.
I thought of those I'd come to know.
Just knowing them - they'd helped me so.
I thought of things, of tears I'd shed ...
Those same things now brought smiles instead.
The tasks I'd done, those left to do,
I wondered how I'd make it through
When something inside seems to say,
"The best you can from day to day."
The way was rough; I knew the score,
It never ends ... There's always more.
But now I know that all in all
Each thing in its own place will fall.
I thought of all the happy days,
The sad ones now seemed just a haze,
And in a flash I came to see
How much the past had meant to me.
We walked along - I wondered where
The future led and what was there.
The past still echoed from behind
I was its, and it was mine.
But in my heart was still a fear,
And in my eye a shining tear;
Yet on my face there was a smile
And we walked forward all the while.
I walked along the road Goodbye.
I looked back once ... I heaved a sigh.
Then I remembered at my side -
My silent, but my constant guide.
The stranger's hand I felt in mine.
I looked into his face this time.
I asked his name - he turned just so.
He smiled and said, "I'm called Hello."

Well, We're back for one more year ... Right in the middle ... Better than Thralls but not nearly as good as Seniors ... We sure are ordering rings early ... Remember to stay after school to work on the display for Homecoming ... Mrs. Pinkston's homeroom won the magazine sales today with a high of ... Hey, it's only January and the rings are already here ... Do we get them now or do we have to wait ... We want them now ... Juniors may pick up your rings in the office.

O.K. let's hear the nominations for Teacher of the Month ... I want to nominate her but I can't think of any good reasons ... Mr. Webb, is Joan Baez in the F.T.A.??? How many Seniors want to teach at one of the Junior High Schools??? Someday I'll teach one of the little Kiddies to be just like me ... Doesn't seem like some of our members really want to be teachers ... I know ... They all seem to have been thrown into it ... Will the Sergeant-of-Arms please stop Gary from talking??? ... Gary IS the Sergeant-of-Arms ... We really know how to pick officers ... Mr. Webb, why don't you go ask Mr. Wall when we can have F.T.A. day ... Why do you always pick on me? Let Mrs. Melton do something ... This year the 8th District convention is going to be at the college, and we're one of the hosts. We've got to do decorations ... Did you get to go to the Planetarium??? Somebody said they felt like they were in heaven ... I don't think I'll ever be a good teacher.

Student Council Regulators

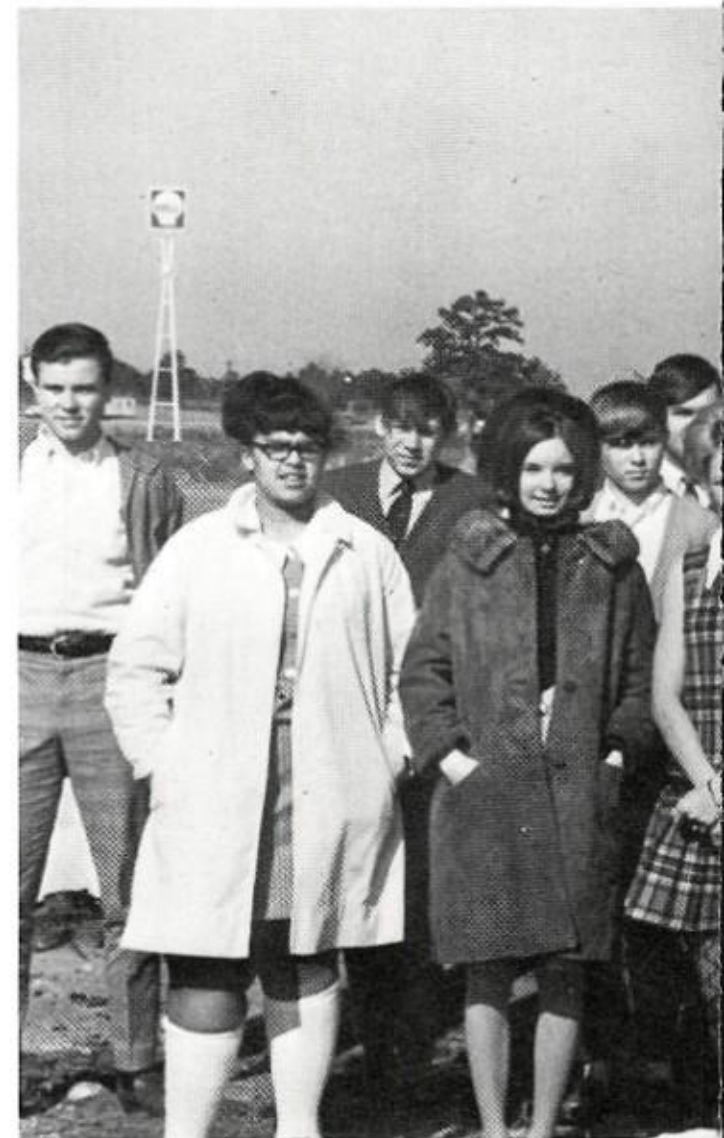

Let's have a get-acquainted dance. Just so everybody can get together ... Man, this dance is the greatest ... All in favor of having a dance during Christmas holidays raise your hand ... I said all in favor ... Well, is anybody going to say anything? ... As you know our big project is Homecoming. So, everybody stay and help Jackie put up the decorations ... O. K. We'll all be there ... Jackie, you better go on home. Lell, Mrs. Collins, and me can finish this ... I want to ask one question. Where was Everybody who said they'd help??? Until somebody comes wanting us to O. K. something, we don't have anything to do ... Now for the treasurer's report. We had \$109.66 in our account. We spent \$50 on Homecoming prizes. That left us with \$59.66. Then we paid \$50 for annual pages. We now have \$9.66. I just hope we don't have anything else to pay ... Elections in April. Induct new officers. Good luck next year.

Look, man, all the zodiac signs are on the bleachers. That looks tuff ... If I don't get Scorpio I'm gonna be mad ... Meet us at Grego's after the dance ... I don't care if I am Miss Spirit. "We'll Remember Always: Graduation Day"

One More safety pin will hold the collar to the gown. Don't stick me, I'm nervous already! Time to march in. Do you mean that all those people came to see us graduate? Imagine, we're the center of attention. Mrs. Carter, we told you we couldn't sing the Alma Mater with lumps in our throats, but we did.

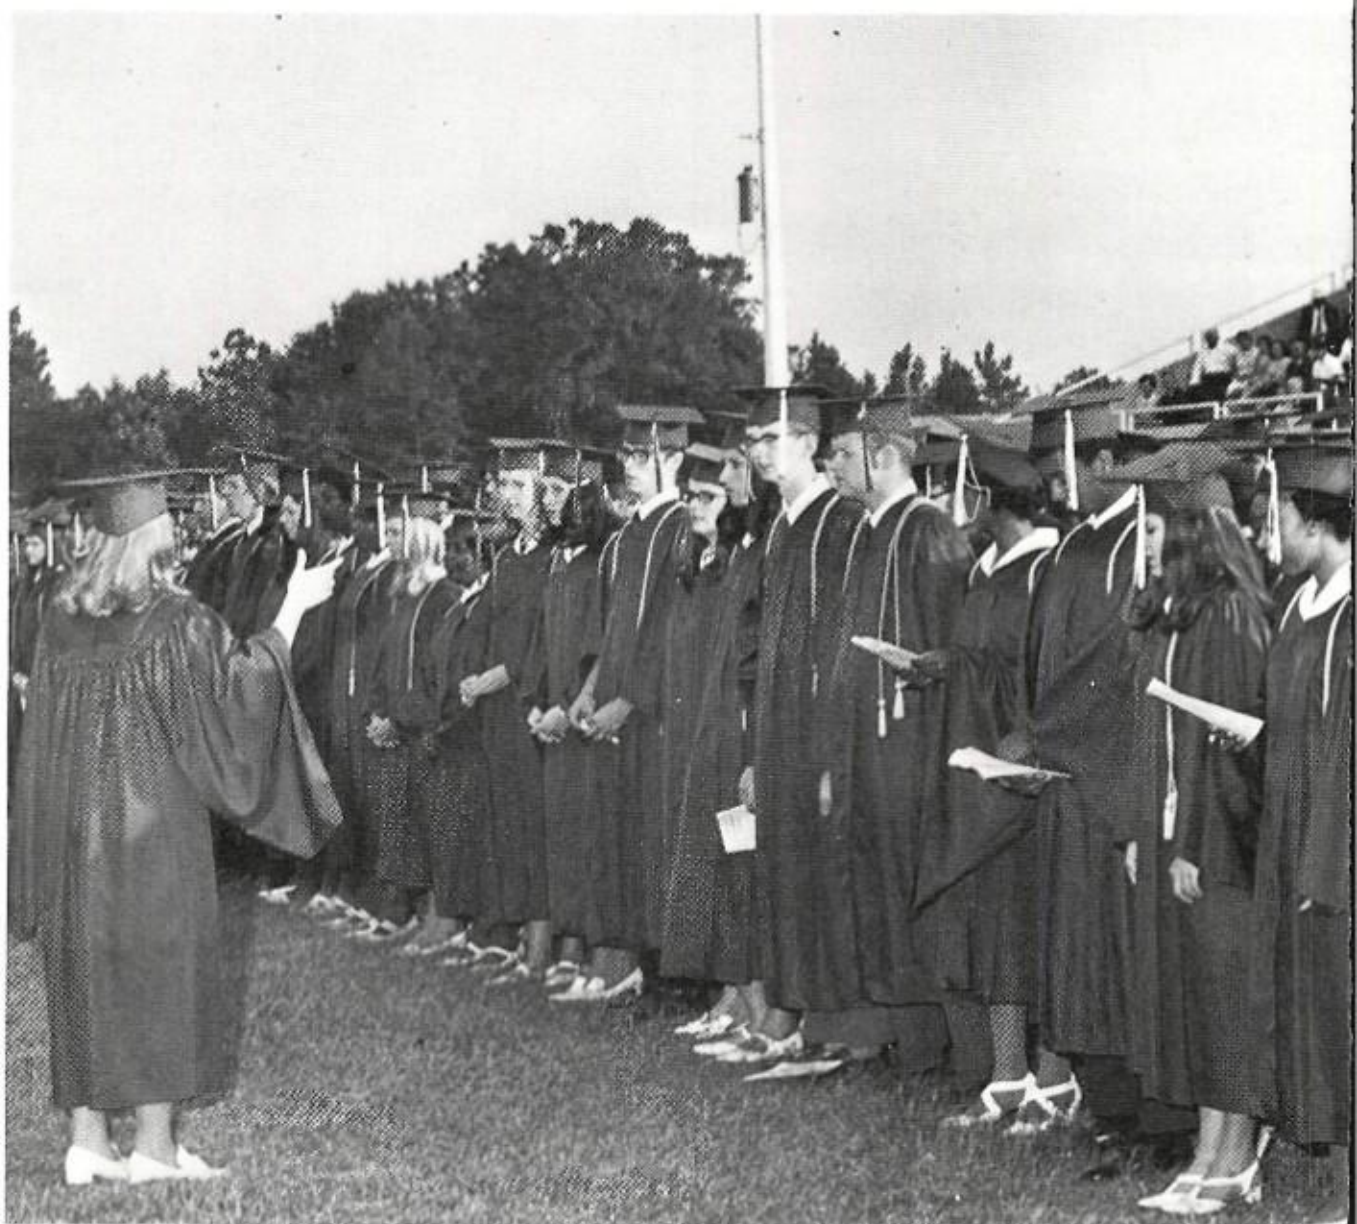

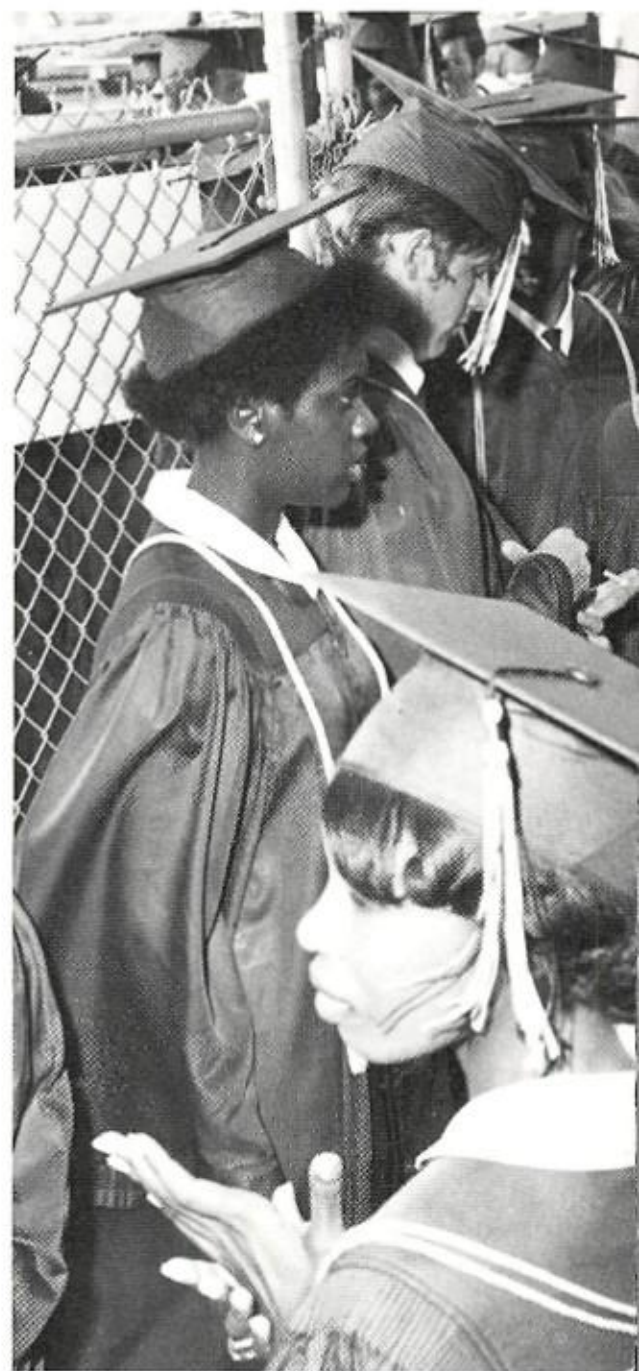

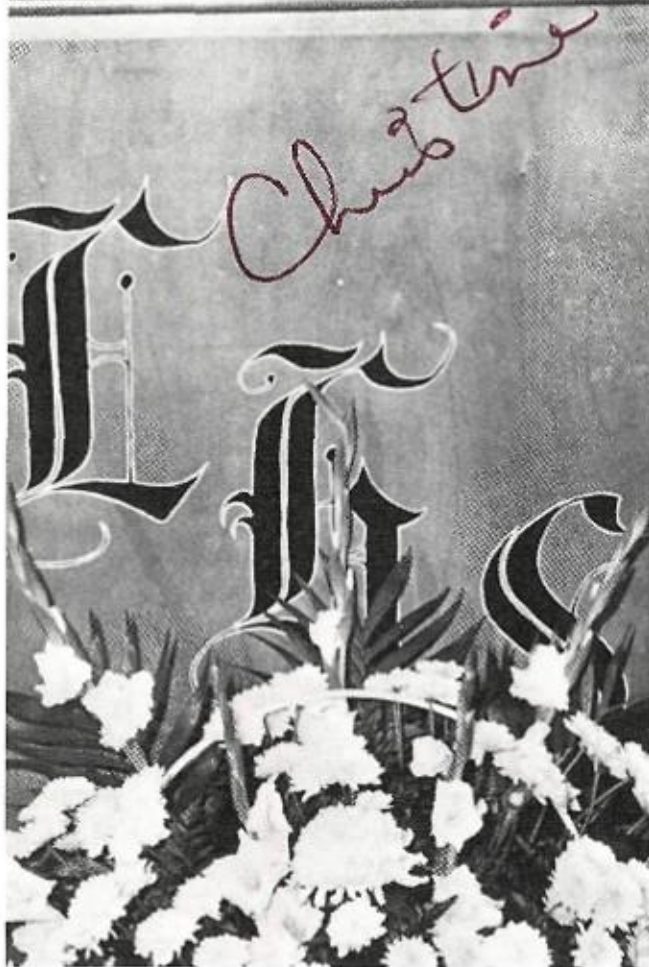

It's finally beginning - the program, I mean. What are all those stacks of things our teachers are holding? Don't have a dumb attack now! That's what we've worked twelve (thirteen or fourteen) years for - diplomas!

What's Lonnie saying? Gee, that's too serious. Am I gonna cry in front of all those people? Jo Karen isn't and she's saying farewell, surely I won't. Time for the big deal, getting that diploma and marching out. To where??

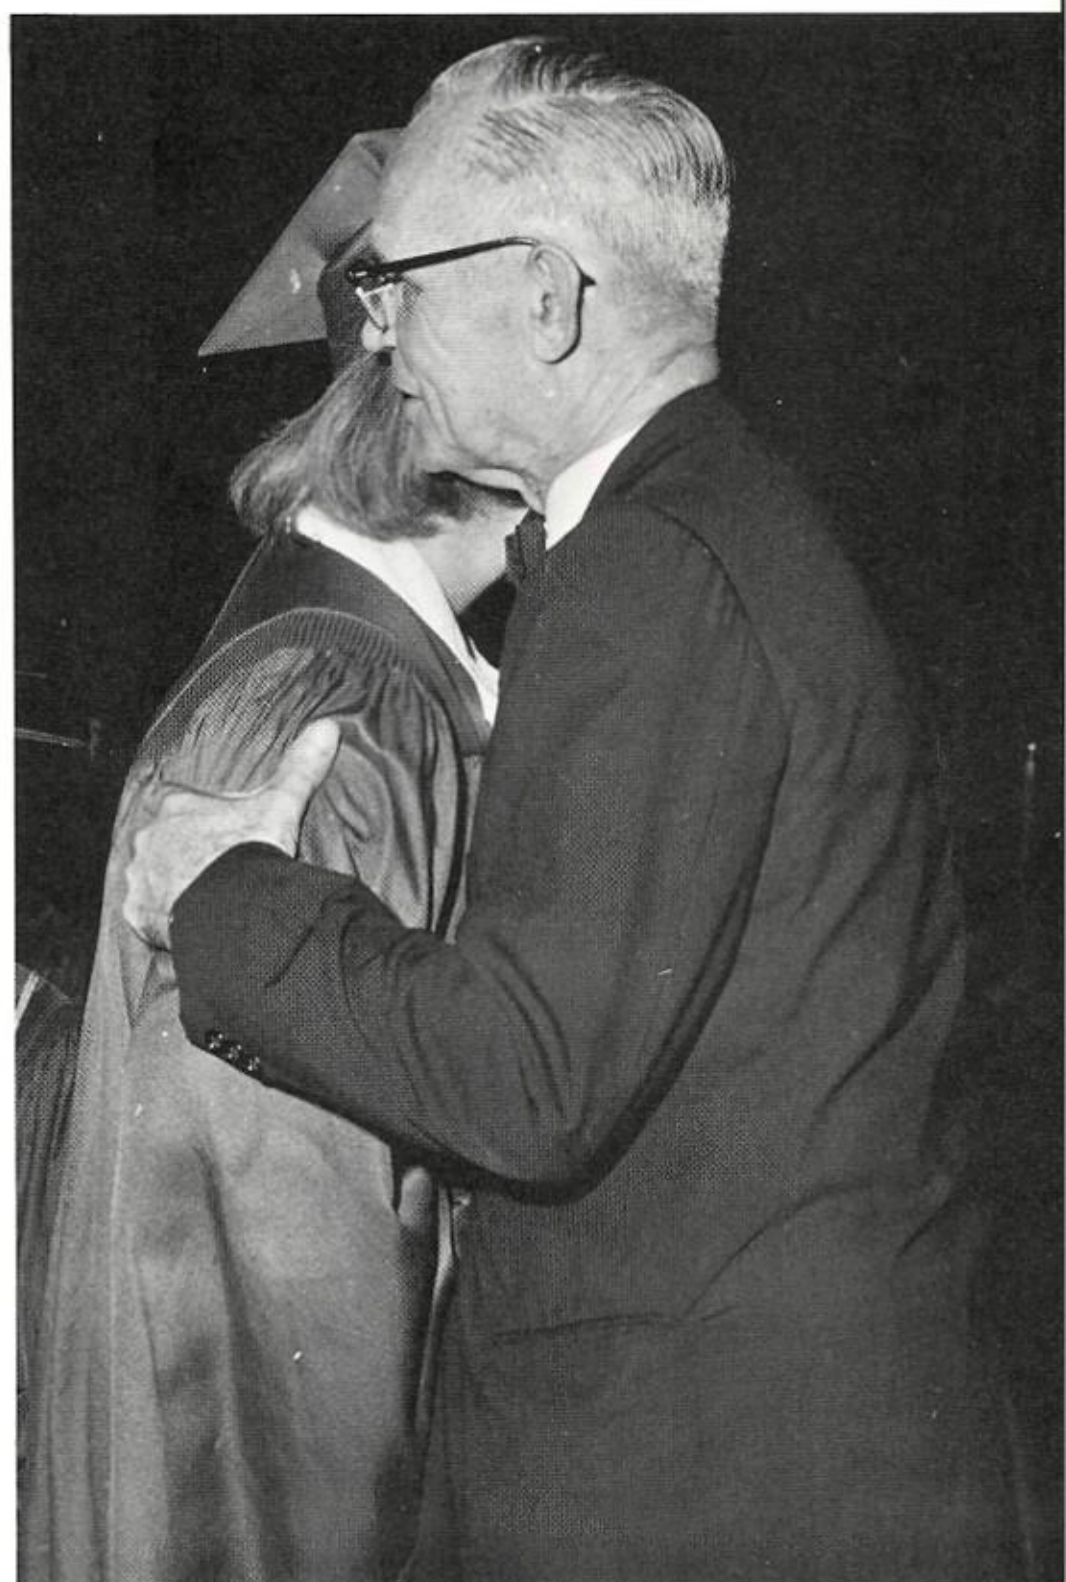

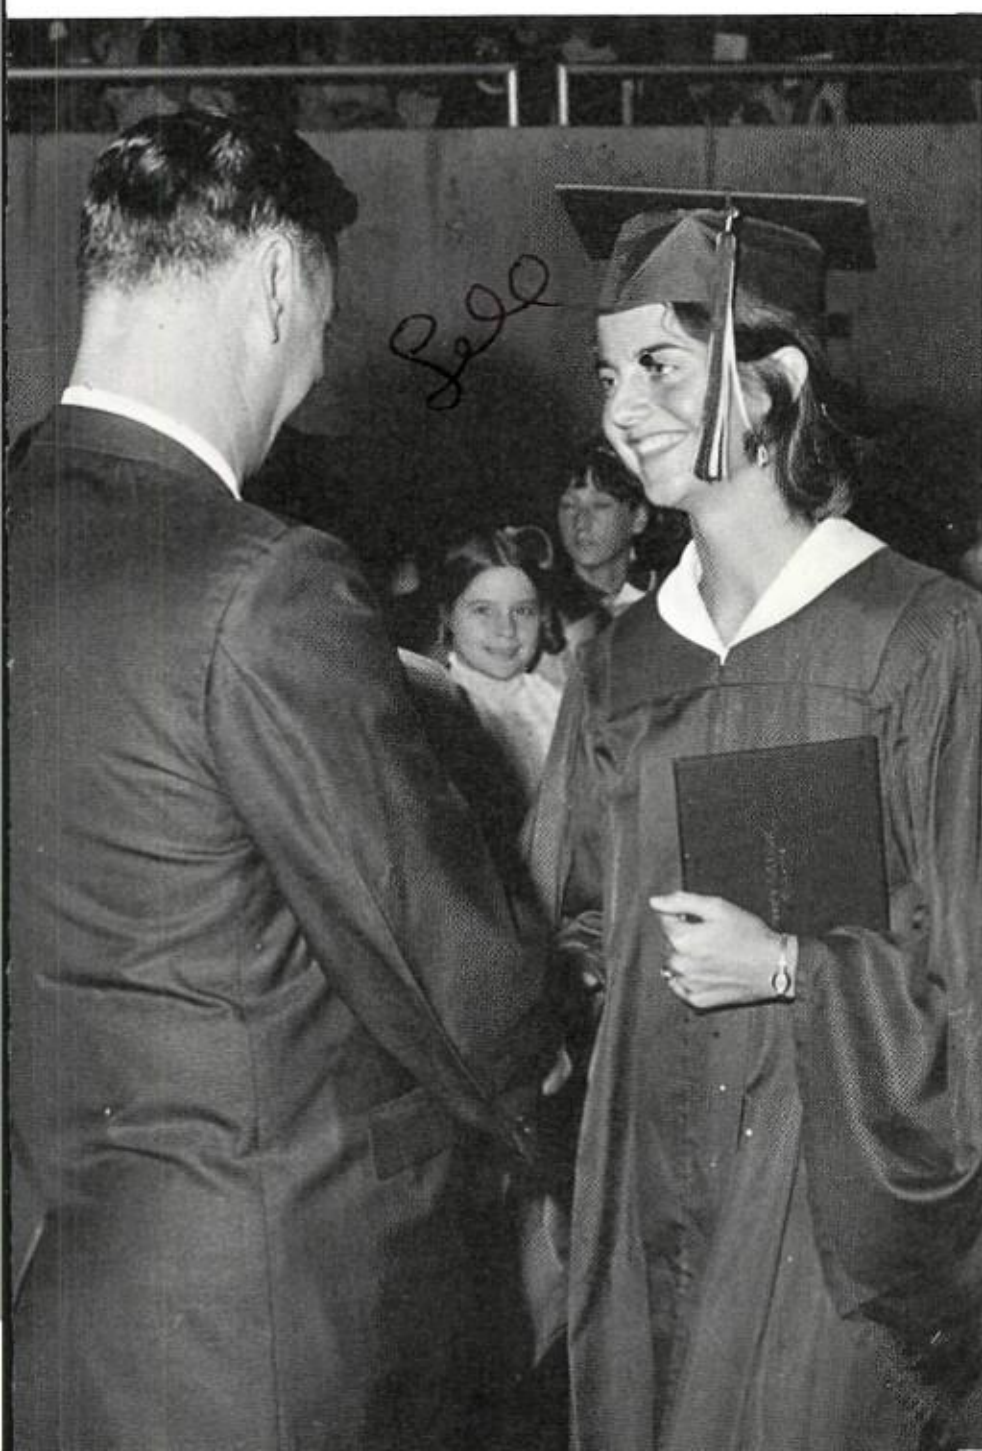

Baccalaureate Brings Serious Thoughts

"Raindrops are falling on my head." Oh no, not yet, and if we hurry they won't. Isn't the stadium pretty? All mowed and green ... Kristine is introducing the speaker already. Maybe Rev. Jackson will tell us another joke before he gets serious. "I Believe" is a beautiful song - I'm glad we're gonna sing it.

Butterflies, galore, this waiting is getting to me. My tassel keeps getting in my mouth. Aw, that's 'cause it's so big. Betty Jean is really telling it like it is. We're really adults now, aren't we? They all think we are. We'd better act like it. Man it's unbelievable to be handed this diploma at last. Mr. Martin shakes your hand and says such nice things. You know, Mr. Wall's gonna miss us. After all our ups and downs, he really likes us. Funny, it hits us now. This'll be such a pleasant memory.
